It is that time of year! Instructors have picked out costumes and music has been selected for your child's recital! All recital dance choreography will begin in the next few weeks if they have not already started! The costumes have been on display in the lobby for a few weeks now. We hope you have had a chance to view them and hope you like them! All costumes have been ordered and will arrive sometime in March/first of April. Once they arrive and are organized by class, you will get to take them home for safe keeping until Picture Week and the Recital.

Once choreography begins in your class it is so important that you attend weekly. If you miss a class, you will miss out on the choreography and it takes time away from the others in the class to re-teach you the steps in the dance. If you must miss because of another activity, sickness or school work, please take a minute to call the studio at (918) 274-7010 to let your instructor know before the class begins. We appreciate you taking the time to do this and helps the instructors with planning their class.

The RECITAL date has been confirmed, please take note:

**Thursday, June 7th:**  
Dress Rehearsal from 4:30-9:00. You will be given a specific rehearsal time but please keep this day/time open until further details become available.

**Friday, June 8th:**  
Evening Recital, time TBA

**Location:**  
Mary Glass Performing Arts Center at the  
Owasso High School

## Recital Information!

Come out and support your fellow dancers from Owasso Dance Co. at the Tulsa 66er's game on Friday, March 2nd! The girls have been working really hard to prepare for their performance!

If you are interested in finding out more about our Performance Team, please contact us and we will be happy to give you more information! We currently have 7 girls, ages 13-15 on the team! We hope to

have a petite and junior performance team next season!

Good luck Melanie, Carolyn, Madeline, Kelsie, Jenelle, Kathryn and Zyana!

Thanks Ms Rose for doing a great job!

**Student Evaluations are NEW and APPROVED this year!**

## Student Evaluations

We are excited to be doing Student Evaluations a little different this year! Instead of a note to you like we have done in the past telling you how wonderful your child is we will giving you an actual evaluation with a checklist of skills that your child has been taught/learned this year! We think this will help you determine

what class your child should be in next season. Of course our teachers will be available to assist you in placing your child as well but this will give you a little more detailed information. We will be evaluating each student in class the week of April 16th. Your evaluations will go home the week of May 7th along with a Fall schedule.

## More Recital Info!

Recital Fees will be taken out along with your tuition in March. Recital fees are as follows:
